## Board Certified Obstetrician Gynecologist

Issued by: American Board of Obstetrics and Gynecology (ABOG)

Issued to: Renee Smith

Issued on: 7 December 2007

### Description

The holder of this credential is committed to staying up to date with the latest medical advances and participates in ABOG's lifelong learning and continuing certification program. Physicians who earn ABOG certification in Obstetrics and Gynecology must meet rigorous requirements and standards. Standards of board certification are distinct from those of state licensure. Do a keyword search for "videos" on [abog.org](http://abog.org) to learn why seeing a board-certified OB GYN is important.
